Invitation

Greetings from ExpoNet Exhibition.

Bangladesh have embarked on a journey of transforming itself into a "Smart Bangladesh to be built by 2041". Therefore, the government is very keen to promote their recent maritime development initiatives by addressing the challenges of modernizing Bangladesh's maritime infrastructure worldwide.

Please be informed that to implement the SDGs-2030 and Vision-2041, the **6th International MarineTech Bangladesh Expo & Dialogue is going to be held on 23th to 25th May, 2024 at International Convention City Basundhara (ICCB), Dhaka.**

This expo and conference shall provide an integrated platform for both live digitalization of maritime industry & services display and the business networking opportunities as well as future maritime trade between Bangladesh and the global.

Today, we are pleased to invite you to attend exclusive dialogue sessions and discover - **what is new; what is going on, and what will be in future** of Bangladesh maritime industry globally.

You are also requested to nominate other high officials from your organization to join the dialogue sessions and meet the global exhibitors. In addition to the conference, about 30 global organizations related to green maritime will exhibit their products and services

Best regards
